

# Requirements for Physics 196

Francis N. C. Paraan (FR 313)

*National Institute of Physics*

(Dated: April 13, 2018)

## I. COURSE INFORMATION

**Description:** Undergraduate seminar

**Credits:** 1.0

## II. REQUIREMENTS

**Attendance:** Attendance will be checked and will be part of the grading. A 0.25 grade penalty will be incurred for every two unexcused absences.

**Presentations:** The student must give two presentations. One talk will be technical (15 + 5 minutes) and the other will be a popular talk (15 + 5 minutes). Equal weights will be given for each talk.

**Preparations:** Students assigned to a particular meeting must ensure that the presentations proceed on time. Speakers who are unable to begin at the assigned time will be penalized.

**Source materials:** Appropriate citations to images and other media must be made.

## III. POPULAR TALKS

1. 22 Jan - AKO
2. 5 Feb - LTR
